SURVEY

At Marshall Packers & Movers Islamabad, we firmly believe that understanding your individual needs and planning is the key to a smooth moving experience. Marshall Packers & Movers Islamabad is staffed with highly trained movers and packers who make your move an enjoyable experience. We assign you an experienced Moving Consultant who will take care and co-ordinate your move from start to finish.

During a pre-moving survey we:-

- Inspect your goods to be moved
- Understand your individual needs
- Identify delicate & valuable articles
- Take measurements
- Assess manpower and materials requirements
- Check facilities for loading & parking vehicles
- Explain the moving process, answer your queries & clear your apprehensions
- Advise appropriate means of transport
- Provide useful tips & checklists to ease your moving difficulties
- Provide useful information about destinations you are moving to
- Schedule dates for packing & moving
- Most importantly we help you plan your move more effectively
- Based on your requirements, we will then submit a written proposal giving you all the details of the move
